

Think Spring 2010

It's time to start making the Raffle Quilt for the 2010 QQ Quilt Show!

We have decided to make scrappy nine-patches with floral centers, medium coordinating corners and yellow background. The finished block will be 6 inches.

A - Center of block – cut a 3-1/2 inch square out of small floral print or fussy cut from large floral print.

B – Corners – cut four 2 inch squares out of medium coordinating fabrics. We want them to read as solids.

C – Cut four 2 inch by 3-1/2 inch rectangles out of a medium to medium light yellow.

We would like to have every member make at least 2 of the above blocks.

In addition, if everybody could supply us with atleast four 3-1/2 inch floral squares for cornerstones, it will help with the scrappy look.

Please return your block and floral squares either the April or May Meetings so the quilt can be made and quilted over the summer.

THANK YOU FOR YOUR PARTICIPATION.

If you have any questions please contact Charlotte Surgenor at csurgenor@claybrookfarm.com or 508-785-2129.
